

The Smooth Finish

**WE HAVE OVER 30 YEARS OF DAIRY EXPERTISE AND CREATED
WHAT THE CHEESE SAUCE MARKET HAS BEEN WAITING FOR...
INTRODUCING OUR KERRYMAID CHEDDAR CHEESE SAUCE!**

This is the best tasting Cheddar cheese sauce out there and, trust us, we have put it to the test!

With its mouth-watering, Cheddar cheese flavour that will elevate any dish – whether it is added to the recipe or as a dip on the side, it is a guaranteed crowd pleaser!

Our Cheddar Cheese Sauce is shelf stable so it can be stored ambient on the storeroom shelf until needed, saving precious fridge space for other perishable ingredients and minimising waste. Poured straight from the pack, hot or cold, it is ready to eat and is the perfect addition to a wide range of dishes from loaded fries to lasagne. A unique quality of our Cheese Sauce is that it is free flowing, which gives a luxuriously creamy texture to your dishes with superior holding capabilities so you don't need to worry about it running off or becoming translucent on your dish.
